AMUSEMENTS

DOUBLE BILL AT THE BUTLER

A double bill at the Butler today. Life in a logging camp in the deep woods of the great northwest is shown in "The Promise," starring Harold Lockwood and May Allison. Every detail of the activities of a lumber camp is depicted, from the hewing down of the great trees to the final floating down the river, and the log jams that endanger the lives of the hardy "river drivers." Contrasted with this are scenes of metropolitan gaiety, glimpse of Broadway life in which Lockwood figures before his regeneration. A college football game is one of the great features of the production. May Allison heads the contingent of pretty football "fans." "The Promise" contains the lesson, told in a story of breathless interest, that a man can always "come back" if he is willing to do so. The second feature today is one that is always looked forward to with a great deal of pleasure, especially by the little folks—Charlie Chaplin, in all his glory, in a two-reel Mutual production, "The Vagabond," made under his present contract, shown here a few months ago, and it is thought to be one of his best. See it again and have a good laugh.

Tomorrow, another double bill—Blanche Sweet, in "The Evil Eye" and Mollie King in "The Mystery of the Double Cross."

FIRST CLEANUP OF LOST BURRO

Charles E. Knox, of the Montana Tonopah Mining company, which owns the Lost Burro property at Ubehebe, has gone to the hottest part of the desert to watch the first clean-up of the new mill which he is confident is going to make a record in the production per ton. Down at the Lost Burro, they say, the lizards turn over on their backs to cool off in the hot sands and it is nothing unusual to hear of temperatures anywhere from 100 up to 115.

Mr. Knox confirmed the report that the Commonwealth mill and mine at Pearce, Arizona, had closed down as an unprofitable investment after the company had used every means of developing a suitable tonnage of pay ore.

FOUR LARGE STEAMERS SUNK IN ONE DAY

(By Associated Press.) BOSTON, June 30.—The torpedoing and sinking of four large British cargo carrying steamers was announced in advices to local insurance offices today. The steamers were the *Ultonia*, of the Cunard line, 6,593 tons; *Haverford*, of the American line, 7,493 tons; *Buffalo*, of the Wilson line, 2,853 tons and the *Manistee*, another Cunard vessel.

No details of the losses were given and no mention was made of the fate of the crews.

ATTENTION K. OF P.

All members Mizpah lodge are urged to attend the funeral of the late Robert Christian, of Esmeralda lodge No. 16, from Elks Home tomorrow (Sunday) afternoon at 4 o'clock. All sojourning members are invited to be present. S. D. KNIGHT, C. C. WHARTON ANDERSON, K. R. E. Adv330

COCCHI IN SOLITARY DUNGEON IN ITALY

PLEADS TO BE LET ALONE AND NOT SUBJECTED TO THE THIRD DEGREE

(By Associated Press.) BOLOGNA, Thursday, June 27.—Alfredo Cocchi, slayer of Ruth Cruger, is in solitary confinement in a dark dungeon on a diet of bread and water.

Cocchi originally was placed in the medieval tower prison with other prisoners, who, acting for the police, tried to induce him to tell something about the crime after attempting to gain his confidence. Their failure to get Cocchi to talk was followed by his removal to the solitary cell.

Each morning and afternoon he is brought before the examining magistrate. Evidently this continuing ordeal is galling him, as it is learned that he succeeded in smuggling a note to a relative in which he wrote:

"Get them to leave me alone and not try to make me talk. I am suffering too much. I am ready to serve my sentence in prison, but wish to do it in Italy, my beloved country. I do not wish to die in a foreign land in the dreadful electric chair."

FOOD SAVING WILL BEGIN TOMORROW

CALIFORNIA WOMEN PREPARE TO CARRY OUT CLEAN PLATE POLICY

(By Associated Press.) SACRAMENTO, Cal., June 30.—Hoover's nation wide food saving campaign starts tomorrow. All women organizations of California are pledged to assist. Families will be asked to use corn bread and other cereal, not to use butter in cooking, buy less meat, serve smaller portions, eat home products thus saving transportation, skip the garbage can and preach the gospel of the "clean plate."
